

Corporal Stanford responded to a domestic violence call at 2*** Ruddell Rd. During his investigation he learned that a 19 year old female and her 6 month old child had been in a long term abusive and controlling relationship with her 36 year old husband. At the conclusion of the investigation it was determined that no domestic violence crimes had been committed today but the female was fearful for her and her child's safety. Corporal Stanford worked on a safety plan with the female and her family, who live in eastern Washington. Arrangements were made with family members to pick up the young mother and her child tomorrow. The young mother was struggling financially so Corporal Stanford utilized the First Responders card to purchase a hotel room for the young mother and her child.
