

Tonight (06/28/2021) at approximately 2130), we were called to a threats complaint at the Roadrunner gas station. Officer Stribling contacted a subject who advised he was "caught up" in a theft scam and he was in fear for his and his mother's life. The subject would not elaborate about the scam, nor who was involved in it, but stated he needed to get back to Tacoma. The subject stated he did not have any gas to get back to Tacoma, so I provided him with \$15 worth of gas from the same gas station we were located at. The subject advised he would report the incident to Tacoma PD.
